

Wake from your summer slumber!
A new school year arrives!

Mandala School opens Wednesday, September 7 for its 9th year. Children may arrive 8-8:20.

Please have INDOOR FOOTWEAR with them. Greater effort will be made to keep the indoors clean by keeping the outdoors out.

Be prepared for the weather outdoors because almost every day we are walking to a park, the Boys & Girls Club, Sinking Ponds, or just about.

Mandala School Newsletter

30 August 2016

Welcome to Kelsey Zimmermann!

After sorting through many applications, our hiring committee of Drs. John, Liza, & Kathy M. choose four to interview. All were impressive yet Kelsey tipped the scale with her background.

She is a recent graduate of the renowned Fredonia teaching program and has many years of experience as a counselor at Camp Ska-No-Ka-San.

Be sure to welcome her when you arrive for the new year.

Our spring trip to Quebec City gave brave ones a chance to practice French while we all enjoyed the foreign culture: good food, stunning architecture, different history, and friendly people.

Fond Farewell to April & Jenna

We will miss their good spirits and dedication as they move on to teaching jobs in the public sector. April will teach high school math at BOCES and Jenna will be at Cloverbank Elementary in the Frontier School District.

Camp Allegany! October 17-20

Let us know soon if you can be with us at Camp Allegany for some or all of the time. Siblings are welcome. There are semi-comfortable beds, hot showers, and a commercial kitchen. This is camping, Mandala style.
