

August 2018

Summer Newsletter

Countdown to Mandala

Supplies:

- ▶ A mug
- ▶ A box of pencils
- ▶ 2 glue sticks
- ▶ A binder with 4 dividers (students 7 & up)
- ▶ Backpack
- ▶ A library card

School Rules

1. Be kinder than you want to be
2. Don't interfere with learning

In effort to keep a clean Earth and reduce waste, especially plastic, we ask students to keep a mug at school for drinking water, tea, and cocoa! Reusable water bottles are also great!

- Cell phones will be collected in the beginning of each day and will be returned before dismissal
- We will use more assistive technology and computer programs this year to improve presentations and publishing skills
- School computers and tablets are for school work only. **Students off task will have their privileges revoked**
- Older students will have their own Mandala School e-mail accounts which they should check regularly

"To have another language is to possess a second soul" -Charlemagne

We are happy to announce that students will have the choice this year to study either French or Spanish at the beginner level! There will be a beginner class for both languages as well as French II for students that studied French last year. **Please send an e-mail with your child's choice.**

Art Class

- Oldest: Wednesdays 10 - 11:30 A.M.
- Middle: Wednesdays 12:45 - 2:15 P.M.
- Youngest: Thursdays 10 - 11 A.M.

Along with ACES (Aurorans for Climate and Energy Sense) we are collecting plastic bottle caps to recycle for art projects & to keep out of our landfills & oceans. Please help us by collecting and dropping off at Vidler's 5 & 10 or The Mandala School. Collection ends August 27th. Look for the colorful buckets!
