Spring has Sprung 🌷☀️

By Starlight and Ms. Kelsey

We can play with each other

We can talk

We can go to the park

We can sit on the bench

We can do math outside

We can do hopscotch

We can find flowers

We can grow flowers

We can jump in the mud

ew, so gross!

Starlight, Millie, and Flora  
drew 100 shapes and counted  
them by 10s!

It is officially **mud season**!  
Please dress accordingly  
and remember, students  
are encouraged to keep a  
change of clothes at  
school.

Students had a writing share this week, we heard a variety of great stories! Sarah's story was full of dialogue so she chose Juan, Jackson, and Charlotte to speak for different characters.

Student's art work this week was eggcellent!

We used shaving cream to make the pattern, then we added some dye. Then we moved the dye around to make them. Then we put the paper in the shaving cream. We cut them out as eggs. Then Ms. Jeannet covered them with Modge Podge. By Charlotte

This week we are learning perimeter and area. We played with the geoboards to make different shapes. When it was nice out, we went outside and found quadrilaterals to measure, but it was really windy. We measured a cinder block, the window, the bricks, the sidewalk squares, the bench, and Miss Leah's license plate. We also made our

dream

bedroom on

graph paper.

We had to

find the

perimeter

and area of

each piece

of furniture

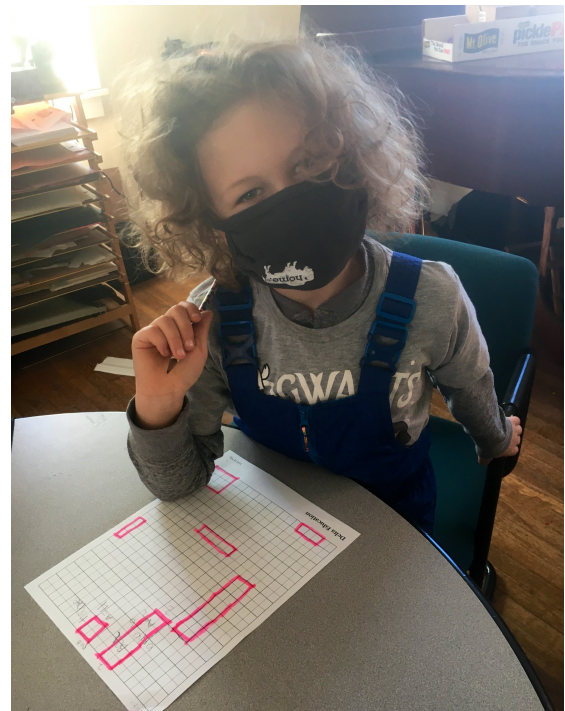

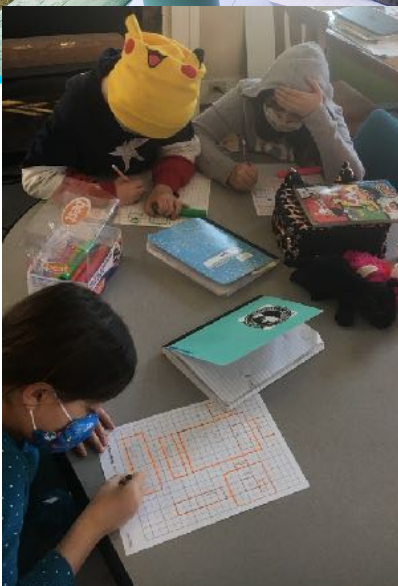

in our room.

We named

Bryce, "Mr.

Perimeter."

By: Kyle,  
Charlotte,  
Katie, Elena  
& Bryce

The youngest group is learning about landforms. They used wax paper and water in science to build landforms and learn how water flows.

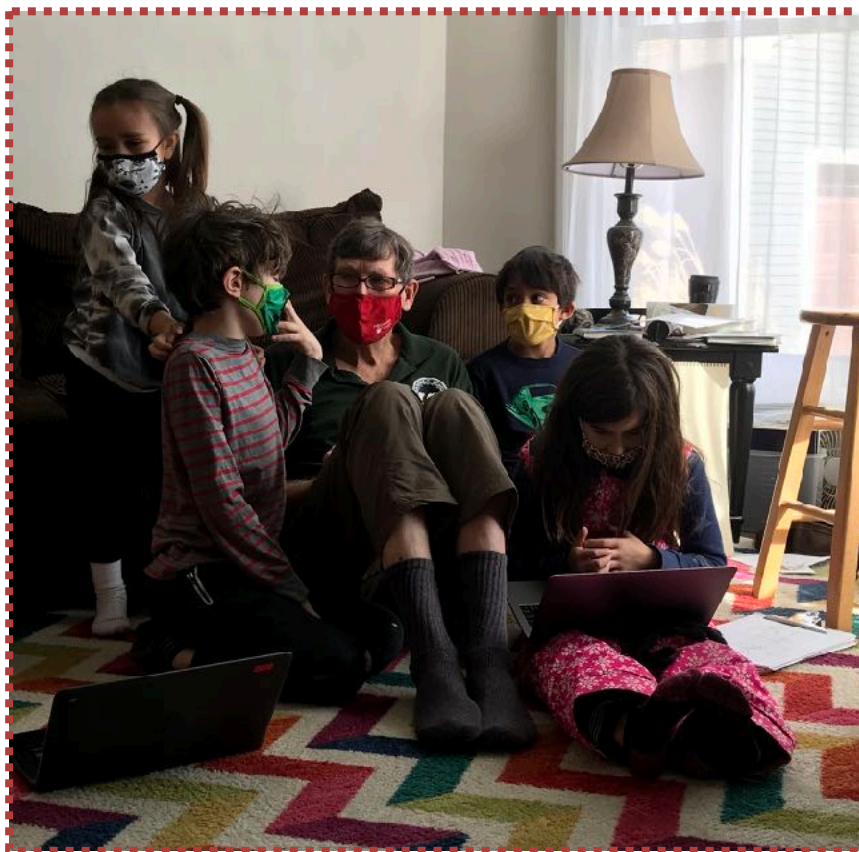

## 🇪🇸 Spanish Class 🇪🇸

In Spanish we were reviewing our workbooks and verb endings. We have a test next week on everything we've learned so far! By Kate M. & Ria

We are learning the days of the week in Spanish. They are lunes, martes, miércoles, jueves, viernes, sábado, domingo! By Charlotte & Bryce

We are learning the endings of verbs "I do" ends with o. "You do" ends with -as. By Sachin.

This week Ms. Kelsey's literature group finished the book *Esperanza Rising* by Pam Muñoz Ryan. We loved the book. Charlotte would rate it 5/5 stars! Today we made tortillas, just like in the story!

## Reminders:

- ❖ No school Friday 3/19 Teacher Conference Day
- ❖ Summer Camp Registration is open! Early bird pricing ends March 31st.
