Walking Permission

I understand that my child will be involved in almost daily walking trips from the Mandala School and give my permission for those activities.

As children grow up parents allow greater responsibilities. Because of our proximity to the library and other nearby establishments, individuals and small groups are allowed to visit without adult supervision. Please check the level of responsibility you would like your child to assume:

- My child must always be accompanied by an adult when walking to another location
- My child may walk with another student
- My child may walk by his/herself.
