

# Mandala School Newsletter

Volume XIII 🌲 Issue XXIX

May 14, 2021

(Up) One of the Painted Lady butterflies resting on a plant.

(Right)  
One of the Painted Lady butterflies being released. We fostered these butterflies at school since larva. We set them free this Monday!

Zachary's message to everyone!

Millie and Ama building double digit numbers in math class.

On Wednesday we did a building competition. There were five teams. Each team got 20 pencils, one rubber band, and two index cards. Good job everyone!

### *The Tree Planting Crew!*

Today we planted 50 White Spruce at Ms. Kelsey's house in 55 minutes! This is an efficient group!

*Zachary, Elena, and Katie working on demolishing the back of Mandala! They are hard workers!*

*Smiles on Friday*

## Student of the Week: Aurora

Five years ago, a young girl named Aurora was brought into the world. She was destined to become a Mandalian! Aurora always wants to know more. Her inquiring mind often leads her to wandering and observing. She loves animals, especially bunnies. Aurora watches the birds during rec. She is adventurous and enjoys being outside. Aurora prefers to be barefoot and is not afraid of getting muddy.

In Aurora's family, she has her mom, dad, sister, one dog, and one cat. If she could change one thing, she would like her sister to stop grabbing her toys. Aurora plays with her dolls at home. She has seven doll houses! Her favorite meal is Korean beef bowl. Her dad makes it without sauce. Aurora reads lots of books at home. Her favorite is Princess in Black. She has six of the seven books in the series.

At Mandala, Aurora plays with her friends, Starlight, Ama, Emilia, and Flora. They play with the dollhouse in the primary room. Aurora also enjoys arts and crafts. She especially likes to play with clay.

We are extremely glad that Aurora is here at Mandala. "Aurora has a bright mind and is definitely on the rise at Mandala", says Nolan.

Interview by Ella, Elena, Katie, Nolan, Charlotte & Zachary
