A first day of school group photo!

Bees!!!! A bee nest honey comb art project

welcome new students!!!

countdown to camp: 24 days

Camp Allegany has been a Mandala tradition for as long as we can remember.

You should expect comfy cabins that are welcoming. There is a main cabin in which we cook and have fun. Nearby is a creek where crayfish are plentiful and a hiking trail that winds through a hill.

Allegany is a great experience with Mandala.

By Juan & Kate

Camp Allegany is a tradition that has brought students, teachers, and families closer together. It is a unique experience that we highly recommend all students to attend. It is a challenge on the mind and body. All families members are welcome, the more the merrier! In the past we've had siblings, parents, grandparents, aunts, uncles, and more!

Reminders:

- Anyone who enters the Mandala School building must be wearing a mask regardless of vaccination status
- Please pack an extra mask for students and write their name or initials on it
- The school day starts at 8:30 sharp! **Please arrive before 8:25 to allow time to settle in before the first class**
- If you have not submitted vaccination records please do ASAP
