Our new art room is ready!  
On Wednesday we had our  
first day of art in the new  
space. What an exciting day!

The student of the week is Kyle! Kyle is a 9-year old Mandala veteran. Kyle is excited about learning to drive and being smart. He is proud of being good at sports and making friends.

He likes Mandala because learning is more fun and he likes to see his friends every day. In his spare time he likes to play video games. When he is older he wants to be a football player. "Kyle is very nice and I'd like to compliment him on doing very well in soccer. He's also very good at handball." -Bryce. If Kyle could tell everyone in the world something it would be, "Stop Global Warming." Kyle doesn't litter or do bad stuff to take care of the environment.

When he was eight he tripped over a brick and woke up in the hospital. His favorite food is pizza. His favorite sports players are LeBron James, Josh Allen, Stefon Diggs and Jamare Chase.

His favorite fast food company is McDonalds. Kyle has a good loving personality, he's funny, kind, and overall a great mandalian.

"Is there anything else you'd like to tell us about yourself?"

"I like cheeseburgers."

**Omi's Attack. By Zachary**

When we went skating, I was in a severely painful crash with Omi. Here is how it went: Omi was skating backwards and I was going forwards. I screamed: "Oooooommmmmmmiiii!" And she hit me. I crashed and slid backwards and the walker flew over my head. My poor bum was the main target when I got into the crash. The rest of the skating was fun.

Ice skating field trip on Tuesday. Thank you to the Classic Rink for having us!
