

Student of the Week: Kody

This week's student of the week is Kody! Kody is a bright and kind student who joined Mandala a few months ago and enjoys their math classes. Kody has many friends and is a great artist who likes to draw cats! Kody's favorite sport is hockey. Kody says that their favorite improvement from joining Mandala is that they talk to other people a lot more than before. It feels like Kody has been here forever!

In their spare time Kody likes to listening to music, cleaning, and drawing. Kody is a very interesting person with a great personality. Overall, Kody is a great friend and student. We are so glad they are part of Mandala!

Interview by Jackson & Johnny

Running Club is back! We will meet on Mondays: **May 1st, May 8th, and May 22nd**. Pick up at Warren Park by 3:30 P.M.

Above: Will presenting his project on the black walnut tree
Left: Challah bread made by Ella & Nolan. YUM!

Dinosaurs

By: Aurora, Millie, and Bryce

This Tuesday we started learning about dinosaurs, we learned about the four different prehistoric groups of creatures: dinosaurs, winged reptiles, prehistoric marine reptiles, and prehistoric creatures. We all picked a dinosaur to learn about, but we can't start until Monday. Charlotte W. helped too! Bryce brought a book and I brought Dinosaur Bingo. We don't know much about dinosaurs yet but soon we'll know a lot more!

Today we spend the day at the University at Buffalo. Ms. Erin was playing in Rodger and Hammerstein's *Cinderella*! It was a wonderful performance. Thank you Allison and Derek for chaperoning!

Have a wonderful weekend and don't forget, *be kinder than you want to be!*
