Our graduating 8th graders

Left to right: Jackson, Katelyn, Sarah, Ria, Amelia, & Charlotte are entering their final weeks of Mandala

On Tuesday we went to Buffalo. I was having lots of fun but I also figured out I am scared of heights. I loved the sand pit at Canalside, the fancy houses, the gardens, and the train. I saw lots of churches, stained glass windows and mosaics on the floors. My architect was E.B. Greene and he designed Albright Knox and Buffalo Savings Bank. Some of the buildings we saw were Hotel Lafayette, City Hall, and the Guaranty Building. Then afterwards I had ice cream. I want to live in Buffalo when I grow up! By Aurora

Students of the Week: Georgie & Frankie

Georgie is a bright young student at Mandala, He likes math as a favorite subject and is in first grade. Georgie is seven years old and has two sisters, Katie and Elena. Georgie looks up to his older sisters as a role model. He joined Mandala because his sisters went here.

He is very smart, creative and funny, in his spare time he likes to play! Georgie doesn't know what he wants to be when he grows up but he has the keys and abilities to do whatever he wants.

Georgie loves to play Soccer and baseball, he is always outside at recess. Georgie loved when he went to Niagara Falls, its his favorite place that he's gone to. As you can see Georgie is a wonderful student and we're very grateful to have him.

Interview by Jackson & Graham

Frankie is a seven-year-old student here at Mandala and is from South Dakota! Frankie says he would write a book about Batman, his favorite superhero. He is described as silly, energetic, curious, and mischievous. If Frankie became president he would eat ice cream every day & make it illegal to cross the street. Frankie plays lacrosse and soccer. We asked Frankie what he likes and dislikes. Frankie responded, "I like the buildings and the train but I don't like all the walking."

He likes to play with Inti, Georgie, and Stephen, his little brother. Frankie says if he had one million dollars he would buy candy, Nerf guns, and a big pool. His favorite color is plain blue. Frankie says if he could go anywhere in the world he would travel back to South Dakota. He says if he could meet anyone in the world he would see Sarah, his best friend.
