10 days 🌲**

Mexico!
We are almost complete with our study
of Mexico. This week we focused on
exports, Spanish language, and
peninsulas! We also made worry dolls
which are from Guatemala, Mexico's
neighbor.

In music class, we learned about music from Mexico. We learned “La Cucaracha” which means cockroach. We also learned “caminar”, which means walk. We used drumsticks and learned the Mexican hat dance. The pattern was right left right “tap tap”.
