...AND JUST LIKE THAT, MANDALIANS ARE BACK WITH OLD FRIENDS AND NEW

WE PLAYED AND SANG, USED OUR BRAINS AND WATCHED AS SMILES GREW

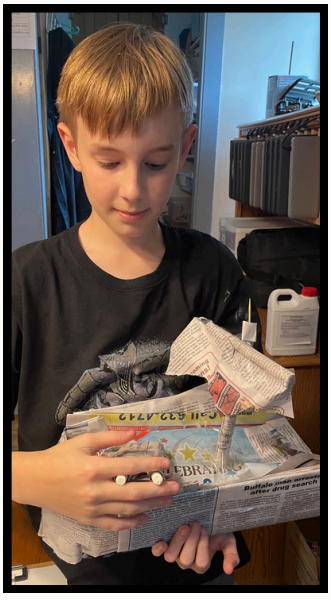

TOMATO SAUCE, NEWSPAPER TOWERS, EXPONENTS, AND MORE.

IT'S EASY TO SAY THAT OUR FIRST DAYS WERE ONES WE CAN'T IGNORE!

We like to paint. We painted our art folders. Louise painted a rainbow. Lochley painted a beach and a rainbow. We colored our favorite part of summer. Lochley colored Myrtle Beach. Louise colored a mountain and a beach. Ms. Jenny is always there to help us when we make mistakes. She tells us directions so we know what we're doing.

By Lochley & Louise

Newspaper Building Challenge creations by Taylor (above) and Weston (left)

We are making tomato sauce and we are also making spaghetti. The tomatoes came from Ms. Kelsey's garden. Some kids chopped veggies in the morning. I think I am going to try it! - Rory

In art class I did a coloring game and I did painting.
I liked doing the scavenger hunt.
- Holden

I like to do art. I like making rainbows that I made for my mama. -Greta

First visit to the Aurora Public Library!

I liked playing outside with my friends. -Hazel

I like to write made up stories. My story was about a giant. We did this paper where we did missing periods. There were twelve missing periods. Then we had to find the right punctuation and capitals. - Bella

Upcoming Dates

Potluck Friday, Oct. 2nd

Camp Allegany Oct. 13th-16th

We've been learning about vowels. We sang *Apples and Bananas* in music class to practice A, E, I, O, and U. - Aurora

In math we were working on scientific notation and exponents. Can you solve this problem? - Bryce

$$.085 \times 10^5$$

I'm excited about Camp Allegany. I really liked playing at the camp. I liked going to the playground, it was super fun! We are going to Camp Allegany from October 13th-16th and everyone in your family is invited! Camp Allegany was the best day ever!
